AAB Associate Member Section Announces
2013-2014 Administrative Board

June 24, 2013, St. Louis, Missouri – Joan M. Fulk, MT(AAB), Primrose OBGYN, Springfield, MO, has been elected the 2013-2014 chair of the Associate Member Section of the American Association of Bioanalysts (AAB).

Newly elected officers and board members assumed office at the AAB Annual Meeting and Educational Conference, May 16-18, 2013, at the Golden Nugget Hotel in Las Vegas, NV.

Also elected to the AMS Administrative Board were Registrant Class Board Members Elizabeth K. Beck, MT(AAB), laboratory technologist, Tomah Memorial Hospital, Tomah, WI; Nancy M. Henderson, MT(AAB), Presbyterian Hospital of Winnsboro, TX; and Milagros Sola, MLT(AAB), microbiologist, Public Health Command Region–West, Joint Base Lewis-McChord, WA. Retiring Chair Samuel H. Leggett III, MT(AAB), Pittsboro, NC, assumed the office of secretary/treasurer.

Vice Chair Irene Zacharczuk, MT(AAB), manager, laboratory operations, Aviir, Inc., Irvine, CA, and Registrant Class Board Members Athena L. Paulsen, MT-P(AAB), medical technologist, Mayo Clinic, Jacksonville, FL, and Rick L. Quayle, MT(AAB), Lamoni, IA, continue to serve remaining terms on the AMS Administrative Board.

David F. Carpenter, Ph.D., Ft. Myers, FL, serves as AAB liaison to the AMS Administrative Board.

MORE
The AAB Associate Member Section consists of bioanalytical, clinical, medical or environmental laboratory professionals and others interested in laboratory technology. AMS members are certified technologists, technicians, physician office laboratory technicians, phlebotomy technicians, non-certified regular class and full-time student class members.
